Module 2 Budgeting and financial management

BUDGETING EMPOWERS YOU TO MAKE INFORMED FINANCIAL DECISIONS AND BUILD A SECURE FINANCIAL FUTURE.

A plan for your income and expenses helps you:

- Achieve financial stability
- Avoid debt
- Save for future goals

LET'S BUILD YOUR BUDGET!

Track Your Income:

- Salary, pension, rental income, etc. Track and categorize your Expenses:
- Daily expenses (groceries, gas)
- Fixed expenses (rent, utilities)

A RETIREMENT PLAN IS A ROADMAP TO SECURE YOUR FINANCIAL WELL-BEING AFTER YOU STOP WORKING.

Key components:

- Budget

- Flexibility
- Investments

MAKE INVESTMENTS TO GROW YOUR MONEY FOR THE FUTURE. IT'S IMPORTANT TO:

FIGHT INFLATION WITH INVESTMENTS THAT GROW FASTER THAN PRICES AND BY ADJUSTING YOUR BUDGET TO ACCOUNT FOR RISING COSTS.

UNIT 2.1 - 2.2

• Income Sources (pension benefits, personal saving, part-time work, rentals, annuities)

 Spread investments across different assets (stocks, bonds, real estate) to minimize risk.

• Balance Growth & Risk: higher risk can lead to higher rewards, but also greater chance of loss.

• Focus on investments that grow steadily over time to keep pace with inflation (rising cost of living).

Nodule 3 Banking Operations and Digitici Skills

DIGITAL BANKING OFFERS RETIREES CONVENIENT AND SECURE WAYS TO MANAGE FINANCES FROM ANYWHERE, ANYTIME.

Benefits of digital banking:

- Convenience and Accessibility: Manage finances from anywhere, anytime (24/7 access)
- * expenses * effectively: real-time • Track transactions and statements.
- Pay bills seamlessly: avoid late fees with automatic payments.
- Gain control over finances.
- Secure platforms and mobile apps protect sensitive information.

HOW TO STAY SAFE WHILE BANKING ONLINE:

- from unknown sources.
- vulnerabilities.

• Secure your login: Use strong, complex passwords and enable two-factor authentication (2FA) for extra security. • Watch out for phishing scams: they often use generic greetings, urgent language, and bad grammar. Don't click suspicious links or reply with personal information. If unsure, contact your bank directly.

• Keep your personal information safe: only share it on secure websites (with HTTPS in the address bar), be cautious on social media, and don't respond to requests

• Use security software like antivirus and firewalls, and keep your devices and software updated to fix

Nodule 4 Refirement Planning

PLANNING FOR RETIREMENT IS CRUCIAL TO ENSURE FINANCIAL SECURITY AND A COMFORTABLE LIFESTYLE IN YOUR LATER YEARS.

- Start Early & Save Consistently Invest Wisely
- Set SMART Retirement Goals
- Estimate Retirement Expenses Factor in Healthcare Costs
- Identify Income Sources
- Calculate Savings Needs

- Monitor & Adjust Regularly
- Plan for Longevity
- Seek Professional Guidance

WHY PLAN FOR RETIREMENT?

Financial Security: Maintain your desired lifestyle after you stop working. Inflation Protection: Savings keep pace with rising living costs. Longevity Planning: Ensure your savings last throughout your retirement. Supplement Social Security: Social Security may not cover all expenses. Maintain Independence: Reduce reliance on others for financial support.

Emergency Preparedness: Set aside funds for unexpected events. Leave a Legacy: Support loved ones or charitable causes.

PENSIONS ARE FINANCIAL ARRANGEMENTS THAT PROVIDE RETIREES WITH A STEADY INCOME STREAM AFTER THEY STOP WORKING.

- - contributions.
- savings plan.

UNIT 4.1 - 4.2

There are two main types of pension plans:

• Defined Benefit Plans: Employers guarantee a fixed monthly payout based on factors like salary and years of service. The employer bears the investment and longevity risks.

• Defined Contribution Plans: Employees and employers contribute a set amount regularly. The final payout depends on the investment performance of the

ADVANTAGES OF PENSIONS

• Pensions provide a guaranteed income stream, similar to your personal savings. This doubles down on your security, reducing the risk of running out of money later in life.

 Many employers offer pensions as part of their benefits package. This can make a job offer significantly more attractive, especially when combined with a solid personal

 Pension contributions often come with tax deductions of deferrals on investment gains

Module 5 Financial Security

FINANCIAL SECURITY REFERS TO YOUR ABILITY TO COMFORTABLY COVER YOUR MONTHLY **EXPENSES, LIVE WITHIN YOUR MEANS, AND** SAVE FOR THE FUTURE.

The Calculated Risk Theory helps you make informed financial decisions. Here's how:

- Identify potential problems before investing.
- Understand your risk tolerance.
- Spread your investments across different asset classes to avoid being overly reliant on any one area.
- Consider the trade-off: Generally, higher potential returns come with higher risk.
- Analyze markets and companies before investing.
- Regularly check your investments and make changes as needed.
- Use strategies to minimize potential losses, especially during market downturns.
- Focus on building wealth over time, don't get caught up in short-term fluctuations.

FINANCIAL SECURITY ISN'T JUST ABOUT MONEY; IT'S **ABOUT FEELING EMPOWERED TO MANAGE YOUR** MONEY AND REACH YOUR FINANCIAL GOALS.

Skills needed to cultivate financial security:

- future.

UNIT 5.1 - 5.2

• Build the basics: Budget, save regularly (even small amounts!), create an emergency fund, explore investments and create a plan to manage debt.

• Boost your knowledge: Educate yourself on personal finance and stay relevant in your field to improve your earning potential.

• **Risk Management**: Get appropriate insurance (health, life, property) to protect yourself and your family from financial hardship due to unforeseen events.

• Plan for the future: Set long-term financial goals for retirement, education, or a house.

• **Protect yourself**: Get proper insurance to safeguard your

• Adaptability and Resilience: Financial challenges and setbacks are inevitable. Be flexible and adjust your strategies as needed to stay on track towards your goals.
